This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Platinum Transportation Services, LLC d/b/a Platinum Express Transport (the Applicant) filed March 2, 2010, whereby the Applicant seeks approval of amendments to Class C Non-Emergency Certificate of Public Convenience and Necessity No. 8206. The Applicant requests approval of a change in the scope of authority and approval of a change in the passenger restriction appearing on such Certificate. A review of the docket file reveals that the Applicant was granted authority to operate under a Class C Non-Emergency Certificate of Public Convenience and Necessity (Certificate No. 8206) by Commission Order No. 2009-830, dated December 3, 2009.

Currently, the Applicant's authority to provide passenger service (Certificate No. 8206) reads as:

The Applicant requests to amend the scope of operating authority to statewide and to increase the passenger restriction from seven (7) to fifteen (15) passengers.

Based upon review of the matters asserted in the present requests, the Commission is of the opinion that the relief sought by the Applicant should be approved.
